One: Lord God how awesome is Your creation!
All: At first You created the universe. Light and darkness, stars and all the firmament with planets seas and dry land.
 One: Then You populated all of Your creation with teeming life.
All: Your awesome universe includes an uncountable number of plants, birds, fish and animals of all kinds.
 One: We are also part of Your awesome universe Lord.
All: We come to worship remembering that we are Yours, Your good creations.

Prayer Time - Gathering Concerns & Celebrations

Unison Prayer (unison)

One: Merciful God, we have cut ourselves off from the power of Your presence.

All: We were afraid to be swept off our feet and be forced to see life from a new perspective. We have belittled those who speak with certainty of Your transforming Spirit and turned away from any truth larger than our own perceptions. We beseech You to sweep us off our feet and transform us. Your grace is a grace we seek but do not deserve. Pray have patience with us Lord. Amen.
